OUR MISSION

"To bridge the divide between economic disparities, through comprehensive financial education and equitable access to financial strategies, generally reserved for the wealthy."

OUR GOAL

To improve the lives of each and every one of our clients through a comprehensive financial planning process - and it's not a 'one size fits all' kind of approach.

Creating custom plans, based on the goals, lifestyle, and situations of our clients, and ensure that they are on the road to financial freedom.

ABOUT ME

It is my goal to keep everything running smoothly behind the scenes for our clients, staff & advisors. I love working for Spectre Financial because I appreciate who they are and what they stand for. Spectre has a team approach and they educate all potential clients, no matter what their current financial situation is.

I love to read, bake and do puzzles. I am a proud Mum and Grammy. I married my high school sweetheart Eric, and we have 2 grown sons who gave us 2 bonus daughters.
